

Sun Safety Policy

We love to get out and about, rain or shine!

In order to protect your child from the damaging effects of the sun I will need you to provide me with the following:

- Sun cream suitable for your child, this must be high factor
- A sun hat, a legionnaires hat is best to protect the neck
- A thin top/cardigan/t-shirt with long sleeves

I will ensure that your child wears sun cream and the hat in hot weather. If the weather is particularly warm we will avoid going outside during the hottest part of the day between 11am and 3pm. When we are out I will try to find shaded areas and encourage your child to drink plenty of water to prevent dehydration.

I will require you to sign a form giving me permission to apply the sun cream that you have provided.
